Alexandria, VA 22313-1450

Sir:

This information disclosure statement is supplemental to the information disclosure statement filed December 8, 2004.

The December 9, 2004 information disclosure statement cited two Japanese references which were identified in an Action from the Korean Patent Office dated October 27, 2004 in a corresponding Korean patent application. At the time of the filing of the December 9, 2004 information disclosure statement, Applicants undersigned attorney did not have a copy of the Korean Patent Office Action. A copy of the Korean Patent Office Action has now been received by Applicants undersigned attorneys.

While Applicants do not believe they have any obligation to file a copy of this Korean Office Action, particularly since it is not in English, Applicants are filing a copy of the Korean Office Action to verify that the two Japanese references were cited in a communication from a foreign patent office in a counterpart foreign application dated no more than three months prior to the filing of this information disclosure statement.

Respectfully submitted,
